2009 Alberta Lieutenant Governor's Greenwing Conservation Award

NOMINATION CRITERIA

The 2009 Lieutenant Governor's Greenwing Conservation Award is intended to recognize outstanding leadership, dedication, commitment and achievement by individuals or organizations. One or more of the following nomination criteria shall apply:

- (i) Demonstrated leadership in a project or activity that has contributed significantly to the public awareness of the value of wetland conservation in Alberta.
- (ii) Outstanding volunteer service to assist an organization or community-based program or project which benefits wetland conservation in Alberta.
- (iii) Demonstrated leadership in an education project or activity which has increased public awareness and understanding of the values of wetland ecosystems in Alberta and their benefit to waterfowl, wildlife and people.
